OBJECTIVE

As a designer I have a passion for creating highly conceptual work. With many levels of design knowledge and various skills I am ready to offer creativity, professionalism, and enthusiasm to learn.

EXPERIENCE

WTVR CBS6 - RICHMOND, VA

Senior Graphic Artist (April 2017 - Present)

Working as part of a local news marketing department, my responsibilities consist of creating high-end motion graphics for promotions of the station talent, events and brand. Gained experience in production by being part of the planning and execution of Emmy winning multiple projects.

MEDIA GENERAL MGFX - RICHMOND, VA

Graphic Artist (May 2015 - April 2017)

Graphic Artist Intern (Aug 2014 - Dec 2014)

Learned about broadcast design and worked in a fast-paced television environment along-side highly skilled professionals. Creating numerous designs with tight deadlines. Advancing in the use of 3D software and After Effects for use in motion graphics and advancing in Photoshop for daily still graphics. Responsible for coordinating the overnight shift, troubleshooting and communicating with producers at news stations.

NOVA OPEN - VIENNA, VA

Freelance Artist (2015 - Present)

Graphic Design Associate (May 2014 - Aug 2014)

Created quality promotional material, designs and illustrations for one of the largest tabletop wargaming conventions in the Washington D.C area. Worked closely with the client, worked independently and also contributed as part of a team. Helped establish brand identity of company from start-up to current state.
